**15<sup>th</sup> annual conference of Czech Association of Geomorphologists: Role of fieldwork in geomorphology**

Dear Prof. Mindrescu,

We are pleased to invite you to the “**15<sup>th</sup> annual conference of Czech Association of Geomorphologists: Role of fieldwork in geomorphology**,” scheduled from 11-13 March 2015 in Pilsen, Czech Republic. This Conference will be a joint effort of the Czech Association of Geomorphologists and the Centre of Biology, Geoscience and Environmental Education of the University of West Bohemia.

The Conference sections will focus on the following themes:

- *I am become death, destroyer of the worlds.* – Man as a creator and victim of landscape changes.
- *Once upon a time, there was an ice age.* – Glacial and periglacial processes and landforms.
- *Water, water, every where!* – Fluvial geomorphosystems on the roof of Europe.
- *We need to go deeper!* – Tectonic and structural geomorphology.
- *Yes, how many years can a mountain exist, before it is washed to the sea?* – Slope processes and slope-channel coupling.
- *Quo vadis?* – Section open for the geomorphology students and recent graduates.

This Conference will evaluate the state of research in the field of geomorphology and related sciences in the Czech Republic and the broader area of Central Europe. Presenters from the Czech Republic, Slovakia, Poland, Hungary, Romania and Germany are expected. One of our goals is to make this conference student-friendly, and provide one section as a platform for student speeches before presenting abroad. The invited lectures will be held in the ceremonial hall of the world famous Pilsner Urquell brewery. The Dean of the Faculty of Education of University of West Bohemia Dr Jana Coufalová will inaugurate the conference and the vice-president of the Czech Association of Geomorphologists Dr Jan Hradecký is expected to address the Closing Ceremony.

It is an honor and privilege to invite you to participate in this Conference as an **Invited Speaker and the head of the “Glacial and periglacial processes and landforms” section**. We believe that your contribution to this field is exceptional and your invited lecture will be of great benefit.

We look forward to your positive confirmation. Your travel expenses will be covered by the Conference funds. Kindly RSVP by **Nov 14, 2014** to us, at [cag2015@cbg.zcu.cz](mailto:cag2015@cbg.zcu.cz)

Your Faithfully,

Dr Václav Stacke
